VI UPDATE · INVESTIGATIVE REPORT · v1.0 · NOVEMBER 2026

Stacey Plaskett's campaign money, 2012–2026

What the federal filings show, and where public records connect her donors to the Government of the Virgin Islands

From 2012 through 14 October 2026, Stacey Plaskett's three federal campaign committees reported 3,040 itemized contributions worth $4,060,116.38 (gross) and paid $74,703.87 back to donors as refunds: $3,985,412.51 in contributions, net. They also reported $23,954.66 in other itemized receipts (vendor refunds, other receipts and a joint-fundraising transfer). The contributors form 1,320 donor groups once spellings of one donor are joined, some of the joins probable. About three quarters of the money is associated with addresses outside the U.S. Virgin Islands on the filings. A separate super PAC that backed her run for governor reported one donor in its filings through 30 September 2026, Michael Bloomberg ($1,607,167.25); it is independent of her and its money did not go to her committees.

Plaskett, the Virgin Islands' Delegate to Congress since 2015, was elected Governor on 3 November 2026 and takes office in January. This report lists the money. Where a public record connects a donor to a company the Government of the Virgin Islands (GVI) pays, to a GVI board or office, or to Jeffrey Epstein, it shows the connection and the record it comes from.

A connection in this report is a documented fact about a donor. It is not evidence that a gift influenced any decision, and the report does not suggest that it did.

SECTION 1

Summary of the record

1 **Where the money came from.** Individuals gave 53% of the net and PACs and other political committees 45%. Donors with Virgin Islands addresses on their filings gave $972,978.64 (24%); donors with addresses elsewhere, many of them national PACs, gave $3,027,188.53. The PACs that gave her the most were the Sheet Metal Workers' ($62,500), Home Depot's ($57,500) and the Realtors' ($44,000).

2 **Donors at companies the GVI pays.** By the employer they filed, or a record naming them as an officer, people at some of the GVI's largest contractors gave to her committees. Among them: Consigli/Benton Joint Venture 1, which the GVI has paid $111.3 million since December 2024 for school work (Consigli people gave Plaskett $13,400, and people at its partner J. Benton Construction $20,100); Pafford Medical (the GVI paid it $66.1 million; people at Pafford gave Plaskett $5,000); and Haugland VI and Grace Civil (the GVI paid them $30.1 million; Haugland people gave Plaskett $24,300). These are payments by the administration of Gov. Albert Bryan Jr. (FY2023 to October 2026); the records we reviewed do not show Plaskett taking part in them.

3 **Donors in GVI posts.** Five donors are tied by a record to a GVI office or board (the office-holders section). Name matches that rest only on a shared name and island are not listed.

4 **Jeffrey Epstein and people around him.** Epstein, his lawyer Darren Indyke, his accountant Richard Kahn and his assistant Lesley Groff gave Virgin Islands for Plaskett $26,900 in 2014–2018 on filings naming them, plus two 2014 gifts ($5,200) filed with no address or employer that we join to Indyke and Kahn by name only. In 2019 the committee paid $8,100, the amount Epstein himself gave, to two charities, one on St. Thomas and one on St. Croix. The Epstein files released by the U.S. Department of Justice (DOJ) include e-mails about the 2016 and 2018 gifts. Section 4 also lists four gifts from three names connected to Epstein's companies.

5 **Fundraisers paid for by others.** Ten times from 2015 to 2025 Diageo's PAC paid a venue or caterer for a Plaskett event directly ($5,371.12 in all), and Sazerac's PAC did so three times. Her committees reported each as a gift in kind.

6 **The governor's race.** Her House committee, Virgin Islands for Plaskett, sent $70,515.28 to her governor's committee, Plaskett Potter for People, in April and May 2026. Ten other federal committees sent it $17,999, $7,500 of it in three payments filed to variant payee names that we read as the governor's committee. The governor's committee's own donors are filed with the V.I. Elections System and are not online.

How to read this report

- Labels in the text: RECORD a record says it (a filing, a government, court or registry record; filings are as reported by whoever filed them); REPORTED reported by a named news outlet; OUR READING our reading of a record, such as joining two spellings of a name or reading an abbreviation, explained where it is used. In tables the same three appear as [C], [R] and [O].
- Which way money moved: every amount says who paid whom. "A gave B" means money from A into B; "B paid C" means money out of B to C. Table headers carry the direction. "Gave Plaskett" or "gave her committee" means money into one of her campaign committees (named where it matters); "her committee paid X" means money out of her campaign to X; "the GVI paid X" means government checks to X.
- Gifts to Grange PAC, her leadership PAC, are counted among gifts to Plaskett's committees. That PAC gives to other candidates and parties; it does not fund her own campaigns. Appendix A shows each donor's gifts to each committee separately.
- Shares and breakdowns (kind of donor, place, industry, lobbying) are computed on all itemized receipts net of refunds, $4,009,367.17; computed on contributions alone ($3,985,412.51) each differs by less than one percentage point.
- Money is net of refunds unless marked gross. GVI money is the government checkbook, FY2023 to October 2026. Purchase orders are commitments, not payments, and are never added to checks.
- A person is tied to a company only by the employer or occupation they wrote on their own Federal Election Commission (FEC) filing, a record naming them in a role, or a street or mailing address on their filings that matches another record, and the text says which. Where we could not confirm that a record and a donor are the same person, the report does not say they are.

- Gifts to a candidate's committee are legal within limits, and a company's PAC is funded by its employees' voluntary gifts. Nothing in this report is a finding that any gift broke a law or was given for, or led to, any official act.
- A connection in this report is a documented fact about a donor. It is not evidence that a gift influenced any decision, and the report does not suggest that it did.
- This report organizes public records; it does not include interviews or comment.

Who and what

Virgin Islands for Plaskett	Her House campaign committee (FEC C00528182), called "her House committee" here. Most of the money in this report went to it.
Grange PAC	Her leadership PAC (FEC C00700203), a committee a member of Congress uses to give to other candidates.
Jeffries Plaskett Victory Fund	A 2022 joint fundraising committee (FEC C00802975) that raised money and passed part of it to Virgin Islands for Plaskett.
her committees	The three committees above together.
Plaskett Potter for People	Her governor's committee, with running mate Sen. Milton Potter. It files with the V.I. Elections System, not the FEC.
Virgin Islanders for Progress PAC	The super PAC that backed her governor's race. Legally independent of her; one donor, Michael Bloomberg, in its filings covering 11 June to 30 September 2026.
Virgin Islanders for Plaskett Association Corporation	The name Meta shows as running her governor's campaign Facebook page.
Albert Bryan Jr.	Governor of the Virgin Islands since 2019; Plaskett succeeds him. "The Governor" in this report means whoever held the office on the date given.
GVI	The Government of the Virgin Islands.
FEC	The Federal Election Commission, which receives federal campaign committees' reports.
DOJ	The U.S. Department of Justice.
EDC, EDA	The Economic Development Commission, which grants tax benefits to approved businesses; its board is that of the Economic Development Authority (EDA). The Industrial Development Commission (IDC) was its predecessor.

PFA	The Public Finance Authority, the GVI's financing agency; the Governor chairs its board. It owns viNGN (broadband) and WICO (the West Indian Company, the St. Thomas cruise dock).
WAPA	The Water and Power Authority.
Other agencies	VIHA: Housing Authority. VIHFA: Housing Finance Authority. VITEMA: the territory's emergency-management agency, which handles federal disaster-recovery money. UVI: University of the Virgin Islands. GERS: the government employees' retirement system. PSC: Public Services Commission. DPW: Public Works.
GVIBuy	The GVI's online purchasing system. A purchase order there is a commitment to spend, not a payment.
Agency check	A GVI check to an agency such as WAPA whose description names the contractor the money is for.
Gift in kind	A donor pays a vendor directly for something the campaign uses; the committee reports it as a gift.
Rum cover-over	Federal excise tax collected on rum, part of which the U.S. Treasury returns ("covers over") to the Virgin Islands and Puerto Rico.
Schedule A / Schedule B	The parts of an FEC report that list money in and money out.
ActBlue	An online platform that passes donors' gifts to the committee. The FEC lists each such gift twice; we count it once.
EFTA numbers	Page numbers in DOJ's release of the Epstein files. ECF and dkt numbers are court docket entries; RECAP is a public copy of federal court records.
Delegate	The Virgin Islands' member of the U.S. House. A Delegate serves on committees and votes there, but not on final passage of bills.
DCCC	The Democratic Congressional Campaign Committee, the House Democrats' party committee.
Resident agent	The person or firm a company names to receive legal papers in the territory. It is a service, not ownership.

Redesignation, reattribution	FEC terms. Redesignation moves a gift to another election; reattribution assigns part of it to another contributor. Each can be done with the contributors' written agreement or, in some cases, by the committee with notice to the contributor (presumptive redesignation or reattribution; FEC, "Remedying an excessive contribution").
Election code	The election (primary or general, and year) a committee assigns each gift to; contribution limits apply per election.
LD-1, LD-2, LD-203	House lobbying forms: registration, quarterly activity reports, and lobbyists' semiannual reports of political gifts.

SECTION 2

The money in the federal filings

RECORD Her three federal committees reported $4,216,567.94 in receipts from 2012 through 14 October 2026. Of that, $4,084,071.04 was itemized line by line: 3,040 contributions worth $4,060,116.38, plus 34 other itemized receipts ($23,954.66). Unitemized contributions (from donors whose gifts to a committee total $200 or less in the election cycle, or for a PAC in the calendar year, so the law does not require their names) came to $125,569.53; the remaining $6,927.37 was reported only as totals. Her committees paid $74,703.87 back to donors as refunds that we could match to a donor; the FEC totals show $76,398.89 in contribution refunds, and the $1,695.02 difference is listed in "What this report leaves out." Contributions less those refunds come to $3,985,412.51. The 34 other itemized receipts ($23,954.66) are 12 offsets such as airline, Facebook and other vendor refunds, 21 "other receipts" from named people and companies in 2012, 2017 and 2021, and the joint-fundraising transfer; with them, itemized receipts less refunds are $4,009,367.17, the total the breakdowns below are computed on. The 15 sources that are not donors (vendor refunds, the committee itself, Plaskett, event cash and the joint-fundraising committee) are not counted or listed as donors; the senders of the 2012–21 "other receipts" are.

OUR READING Method: the FEC lists a donor once for each name and state as filed (a "name key"). The itemized money comes in under 1,388 name keys. We joined spellings of one person when their filings share a street address (**RECORD**) or the same name with the same employer or place (**OUR READING** , probable); three 2014 gifts filed with no address or employer (under the names Darren Indyke, Richard Kahn and Kevin Callwood) are joined by name alone (**OUR READING** , name only) and marked where they appear. That gives 1,320 donor groups. Where a group's total includes a probable or name-only join, the text says so where the amount matters, and Appendix A marks the join. The section "One donor, many names" and Appendix A show every join. **RECORD** The joint fundraising committee (Jeffries Plaskett Victory Fund) took in $11,450 in itemized contributions in 2022, paid $714.13 in processing and accounting fees, and transferred $5,492.93 to Virgin Islands for Plaskett and $5,492.94 to Jeffries for Congress. Its donors' gifts are counted once, as contributions to the joint committee; the transfer is among the other receipts, not the contributions. Refunds are matched to donors by exact name and state.

Source: FEC Schedule A, three committees; net of refunds. Counts are name keys. "Receipts filed under business names" are receipts filed under a company name with no FEC committee ID; the filings do not show the entity type or how each was attributed.

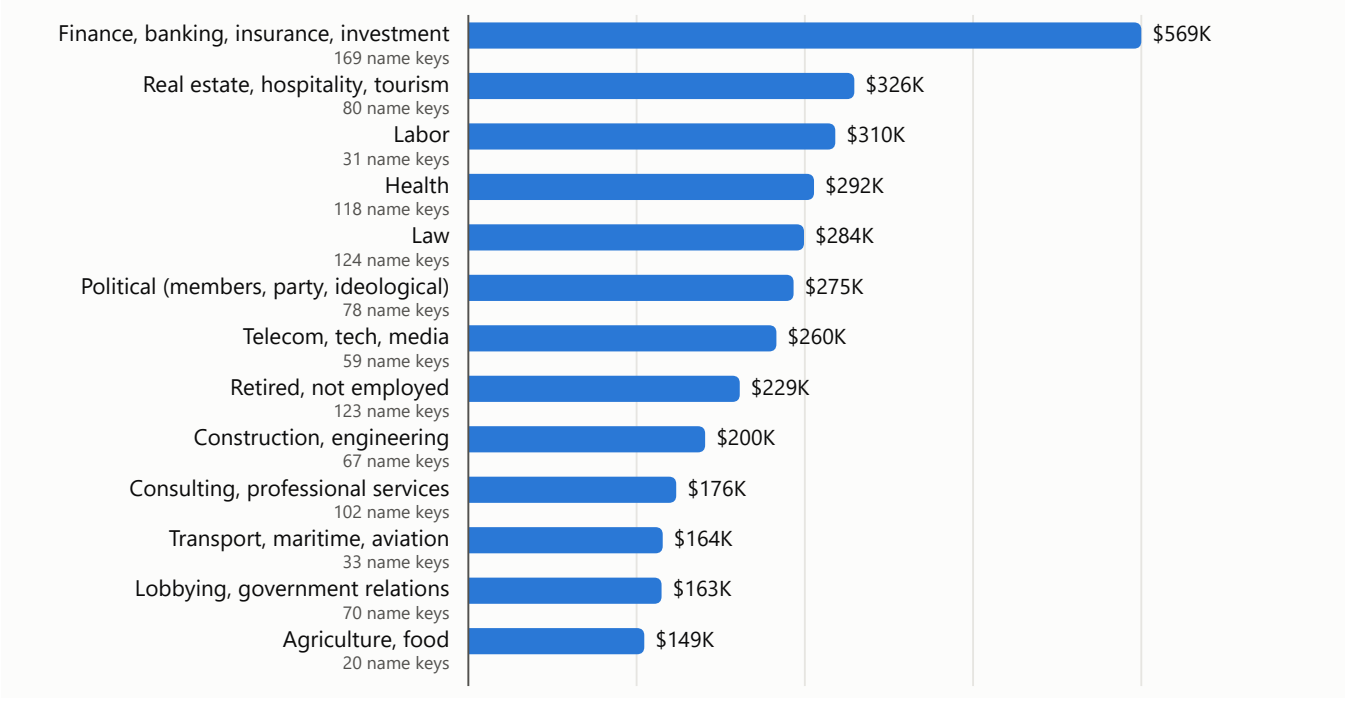

RECORD Donors with Virgin Islands addresses on their filings gave $972,978.64 (24.3%), donors with addresses elsewhere $3,027,188.53 (75.5%), and seven donors with no address on file $9,200. The Virgin Islands figure includes $8,181.10 of event cash and the committee's own receipts. Donors with D.C. addresses, mostly national PACs whose own contributors may live anywhere, gave $1,209,933.21. Individuals on St. Croix and St. Thomas gave almost the same ($447,819 and $447,360); St. John gave $40,330.

SECTION 3

Bloomberg and the super PAC

RECORD In its FEC filings covering 11 June to 30 September 2026 (the latest in these records; activity after 30 September is not included), Virgin Islanders for Progress PAC (FEC C00953307), registered 11 June 2026 in Washington, reported one donor: Michael R. Bloomberg, $1,607,167.25 in five gifts, $1.19 million of it on 7 July and $77,167.25 of it in kind as legal services. The super PAC reported spending $1,597,360.83, $90,225.50 of it dated after the 1 August primary, including $85,000 it paid the pollster Schoen Cooperman Research on 21 August ($162,500 to Schoen in all). A super PAC is legally independent of the candidate: this money did not go to Plaskett or her committees.

RECORD Separately, Bloomberg himself gave Plaskett's committees $14,700 (2020–2024); from 2018 to 2026 Thomas Secunda, a Bloomberg L.P. co-founder, and other donors named Secunda gave $86,600; and other donors who filed Bloomberg as their employer gave $15,200 (all gross). Her committees refunded $14,000 of the Secunda gifts.

SECTION 4

Jeffrey Epstein and people around him

RECORD Jeffrey Epstein gave Virgin Islands for Plaskett $8,100: $2,700 twice on 4 August 2016 and $2,700 on 23 July 2018, filed as "self, financier," St. Thomas. On the same days, in the same amounts, Darren Indyke (Livingston, N.J.) and Richard Kahn (New York) gave too, both filed as "self, attorney." Two $2,600 gifts on 3 July 2014 are filed under the names Darren Indyke and Richard Kahn with no address or employer; OUR READING we join them to the two men by name only (no address or employer on those filings). Lesley Groff, filed as "New York Strategy Group, personal assistant," gave $2,600 on 15 July 2014. The committee refunded none of these gifts. On 9 July 2019 it paid $8,100, the amount Epstein himself gave, to two charities: $4,050 to the Family Resource Center on St. Thomas and $4,050 to the Women's Coalition of St. Croix (Schedule B) RECORD, which Plaskett announced that day REPORTED. Its spending records show no refund or charity payment matching the other gifts in this section.

DONOR	AS FILED	GIFTS TO VIRGIN ISLANDS FOR PLASKETT	GAVE (NET)
Jeffrey Epstein	Self, financier; St. Thomas	4 Aug 2016 ($2,700 × 2); 23 Jul 2018 ($2,700)	$8,100
Darren Indyke	Self, attorney; Livingston, N.J. (2016, 2018); no address or employer (2014)	3 Jul 2014 ($2,600, name only [O]); 4 Aug 2016 ($2,700 × 2); 23 Jul 2018 ($2,700)	$10,700
Richard Kahn	Self, attorney; New York (2016, 2018); no address or employer (2014)	3 Jul 2014 ($2,600, name only [O]); 4 Aug 2016 ($2,700 × 2); 23 Jul 2018 ($2,700)	$10,700
Lesley Groff	New York Strategy Group, personal assistant; New Canaan, Conn.	15 Jul 2014 ($2,600)	$2,600
Total		$26,900 on filings naming them; $5,200 name only	**$32,100**

REPORTED Indyke was Epstein's longtime lawyer and Kahn his longtime accountant, and both were named co-executors of his estate; Groff was his longtime executive assistant. We found no criminal charge against Indyke or Kahn.

The DOJ e-mails about the gifts

RECORD On 25 July 2016 Erika Kellerhals, a St. Thomas lawyer, wrote Epstein: "Thanks again to you, Darren & Rich agreeing to contribute $5400 each to Stacey's campaign… The checks can be made out to Virgin Islands for Plaskett and can be mailed to my office" (EFTA02394173). The FEC shows two $2,700 gifts ($5,400) from each of the three men dated 4 August 2016. On 12 July 2018 Plaskett forwarded an invitation to a 19 July reception to Groff and Kellerhals ("Bloomberg Invite for Plaskett for Congress fundraiser"), writing: "If you would share this invitation with Jeffrey I'd be much appreciative. I would be grateful for his support and the support of those that he may direct to assist me." The same day Indyke asked Groff, "Do you know to whom we are to send the contributions and are we to make them out to Virgin Islands for Plaskett?", and Groff answered that she could ask Plaskett (EFTA00478218-19). The record we hold does not show who hosted the reception. RECORD On 19 October 2018 Jerome Murray (listed in House pay records as Plaskett's chief of staff in 2016–17; the e-mails do not give his title) wrote to Kellerhals: "I'm following up with you per Jeffrey Epstein. Stacey had a conversation with him recently; he instructed her to have you reach out to him with some guidance on how to make a DCCC donation while also giving Stacey credit for funds," with suggested wording below (OUR READING we read "he" and "him" as Epstein, "her" as Plaskett and "you" as Kellerhals). The suggested wording explains the credit: a gift made out to the DCCC would be "credited to Stacey as a way of helping to meet her internal financial commitment to the DCCC, which is currently $250,000 between her dues and her additional 'funds raised' goal for the party"; the payment proposed was to the DCCC, not to her committees. On 21 October Kellerhals sent that wording to Epstein, who replied "10k." On 22 October Kahn asked Epstein whom to pay from, listing seven names, Epstein's companies and Indyke's and his own among them, with "STC" first; Epstein's reply is rendered "Ste" in DOJ's text. On 25 October Cecile de Jongh wrote

Kahn: "Erika has advised that the DCCC does not take corporate checks. They are returning the check to her [Kellerhals]." and on 26 October Kahn asked Epstein whether to "reissue from you personally as DCCC did not accept check from STC" (EFTA01018558-62). RECORD The Democratic Congressional Campaign Committee's own FEC report shows it received $10,000 from Jeffrey Epstein on 29 October 2018, marked "unsolicited contribution: refunded in same reporting period," and paid $10,000 back to him on 2 November.

Four more gifts, from three names connected to Epstein's companies

RECORD Paul Hoffman gave Virgin Islands for Plaskett $250 in 2018 and $2,000 in 2024, filed as "self, businessman," St. Thomas. In 1999, 19 years before the first of those gifts, Paul Hoffman was Financial Trust's lawyer, a professional-service role: he presented Epstein and Financial Trust to the Industrial Development Commission ("I'm here as the attorney for Financial Trust Company") and was the company's resident agent. Financial Trust's annual reports give his law firm's P.O. box, the box on his FEC filings. Cecile de Jongh gave $1,000 on 16 October 2014, filed as "Financial Trust Co., office manager." She was Epstein's office manager at Financial Trust and Southern Trust. A $1,000 gift on 29 March 2021 is filed under the name "John R. DeJongh" with the same employer and job title. OUR READING The filing does not show who made it; Appendix A lists it as filed. These four gifts ($4,250) are not in the total above.

Erika Kellerhals

RECORD In Plaskett's own 2023 deposition (public on RECAP, *USVI v. JPMorgan*, dkt 267-12 p.86), Plaskett said Kellerhals introduced Plaskett to Epstein as a potential donor, and that Epstein was a client of Kellerhals's firm when Plaskett worked there in 2013. Kellerhals was counsel of record for Epstein's Financial Trust and counsel for Southern Trust at its 2012 EDC hearing, and in July 2019 filed Southern Trust's annual report as "Attorney in Fact On Behalf Of President Jeffrey EPSTEIN" (*USVI v. JPMorgan* exhibits). RECORD An expert report filed in the JPMorgan litigation put Epstein's payments to Kellerhals's earlier firm, Kellerhals Ferguson Fletcher LLP, at $271,656.93 in 2003–13 (Amador report, Fig. 21). RECORD Kellerhals and her law partner Greg Ferguson gave Plaskett's committees $21,161 between them, including $3,500 each to Virgin Islands for Plaskett on 13 April 2026 as the committee booked them (ActBlue's own FEC report shows $7,000 from Greg Ferguson that day, and the committee booked $3,500 to Kristen Ferguson on 16 April; whether that was a reattribution is not shown OUR READING); Kellerhals's April 2026 gift was filed from a Georgia address and $500 of her earlier gifts under the spelling "Kellerhalls," both joined to her by name OUR READING . We found no criminal charge or bar discipline against Kellerhals.

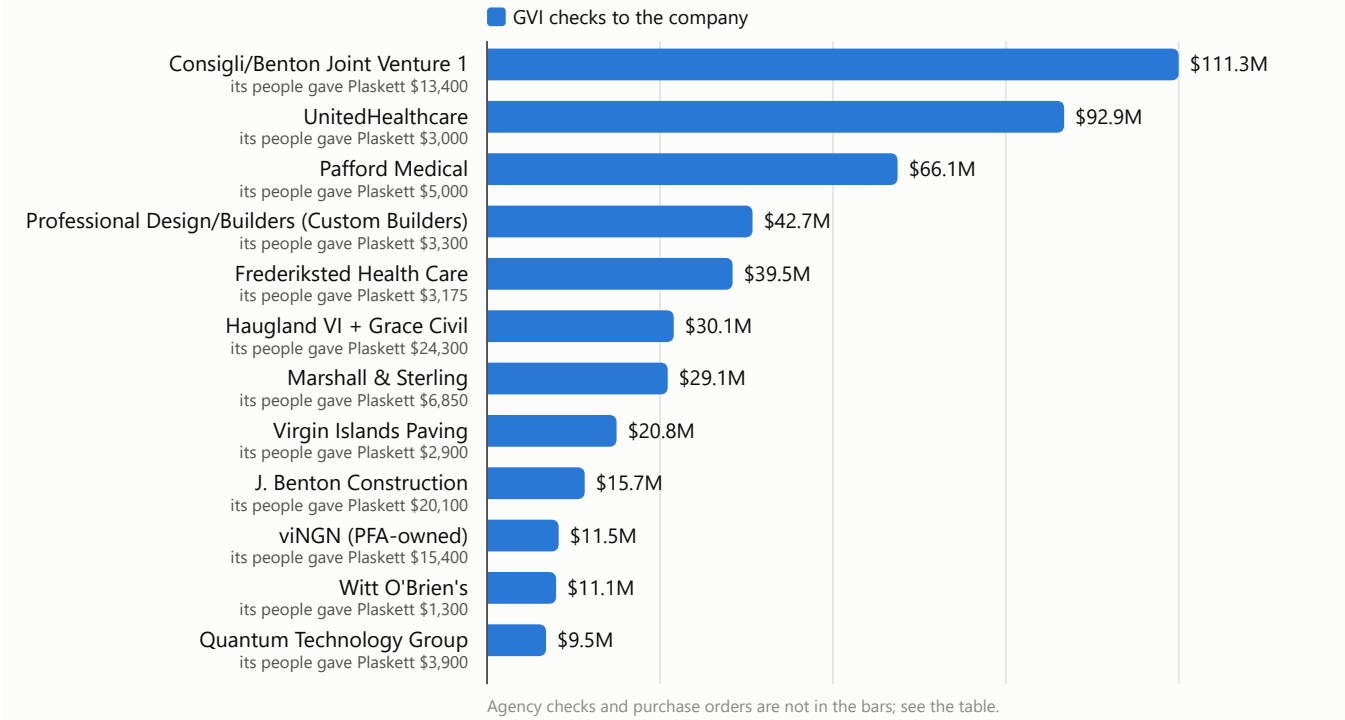

SECTION 5

Donors at companies the GVI pays

RECORD The GVI payments in this section and the next were made by Bryan's administration (checkbook FY2023 to October 2026). GVI contracts are awarded by its executive agencies; the records we reviewed do not show Plaskett taking part in these decisions. **OUR READING** Method: we checked every donor's filed employer, and every company that gave, against the GVI checkbook, contracts, purchase orders and federal awards. A company is listed when a donor filed it as employer or signs for it in a GVI or registry record, or the company or its PAC gave. Names that matched but belong to different businesses are kept, with their money and the reason, with the working files (365 matches).

OUR READING Method: for large federally funded jobs the GVI often pays an agency, such as the Water and Power Authority (WAPA), a hospital, the Housing Authority or the Public Finance Authority (PFA), and the agency pays the contractor. Those GVI checks name the agency; the contractor appears only in the check description, sometimes abbreviated ("WOB", "EY", "HVI"). The column "GVI checks to agencies naming it" counts GVI checks to those agencies whose descriptions name or abbreviate the company; the agencies' onward payments have not been traced, so it does not show what the company received. It is never added to the checks paid to the company, and the chart shows only checks paid to the company. The note to each row names the agencies.

Figure 4 — GVI checks to the company

Source: GVI checkbook FY2023 to October 2026, checks paid to the company only. Purchase orders and agency checks are in the table.

COMPANY	GVI CHECKS TO THE COMPANY	GVI CHECKS TO AGENCIES NAMING IT	GVI PURCHASE ORDERS	GAVE PLASKETT (ITS PEOPLE, OR THE COMPANY ITSELF)	NOTE

Jaredian Design Group	$50K	$3.5M		$3,500	through the PFA [C]; the gift is John Woods's, 6 April 2026

"Its people gave Plaskett" counts gifts to Plaskett's committees from people who list the company as employer or sign for it: Consigli executives $13,400; J. Benton people $20,100 (James Benton $13,200, Eric Cusin $6,400, and Cecile Castruccio-DeReu's $500 filed with J. Benton as employer; her earlier $2,000, filed with no employer, is not counted here); Haugland: William J. Haugland (two spellings joined as probable **OUR READING**; a "William Haugland, CEO" signs Grace Civil's DPW contracts **OUR READING**), Joseph A. Haugland (co-president, later COO) and Nelson Petty ("Haugland Group, business manager/engineer", St. Thomas, $1,000), $24,300 net; Linda Haugland ("retired", $3,500, 2025) and Sara B. Haugland ("NY DOE, educator", $2,100, 2022), who list no Haugland employer, are not counted; viNGN: CEO Stephan Adams $10,400 net and Lawrence J. Kupfer, who filed viNGN as employer in 2014, $5,000; Custom Builders: Shanique Boschulte ("Custom Builders, contractor", $3,300, 2024); GEC: John Wessel (filed as GEC's president in 2013–14 and owner in 2021) and Vickie R. Wessel (filed as vice president in 2013 and 2014), $10,800 on those gifts. A person's gifts filed under another employer are not counted for the company; refunds are subtracted only when every gift of the person qualifies, because a refund line does not say which gift it repays. Every row, with its basis, is in the data package's company_people.csv.

Companies the GVI pays whose PACs gave

COMPANY (GVI PAYEE)	GVI CHECKS TO THE COMPANY	ITS PAC GAVE PLASKETT
Cigna (the GVI employee health plan)	$651.2M	$10,000
Viya (Virgin Islands Telephone Corp.; ATN subsidiary)	$16.8M	$4,500
Ernst & Young Puerto Rico (the PAC is Ernst & Young's U.S. PAC)	$7.5M	$7,500
AT&T	$2.1M	$15,000
AECOM Caribe (+$18.7M through VIHFA)	$1.8M	$8,500
Microsoft Caribbean	$1.6M	$4,500
Home Depot	$0.7M	$57,500

RECORD A corporate PAC is funded by employees' voluntary gifts, not the company treasury, and these PACs give to many members of Congress. The GVI payments are to the company. UnitedHealthcare has no PAC gift to Plaskett; its row in the table above counts two donors' 2014 gifts filed with its parent company as employer.

Federal money to companies whose people gave

COMPANY	FEDERAL AWARDS TO THE COMPANY	WHAT IT WAS	ITS PEOPLE WHO GAVE PLASKETT (GIFT YEARS)
Fintrac Inc.	$243.8M	USAID and MCC awards, 2008–2017	Tom Klotzbach (CEO) $970.70 (2012); Claire Starkey (president) $500 (2021)
Broadband VI (VI E-Cell)	$90.7M	FCC universal-service support, $90.3M; federal contracts from Justice, Transportation and Defense, $379,511	Michael Melusky (co-founder) $5,321.14 (2015–16); Richard Hasson (president) $2,700 (2016)
Carnival Corporation	$49.1M	FEMA's 2017 charter of the Carnival Fascination as a floating hotel	Micky Arison $13,500 (2019–22)

GEC, LLC	$20.2M	DoD temporary roofing (2017); Interior, Salt River Bay visitor station (2022)	John and Vickie Wessel $10,800 on gifts filed with GEC as employer (2013–21)
Professional Design/Builders (Custom Builders)	$14.1M	Interior, Cruz Bay Visitor Center (2022); DOT (2023)	Shanique Boschulte $3,300 (2024)

Federal awards from USAspending (IQRA's from FEMA's Public Assistance project records, where an amount obligated is not cash paid), listed because people at these companies gave, by the employer they filed. The awards were made by the federal agencies named; Plaskett took office as Delegate in January 2015, after some of them (Fintrac's began in 2008), and several of the gifts came years after the award they sit beside. No record we hold shows a part for Plaskett in any award. Broadband VI was also paid $977,706 in GVI checks. A FEMA obligation and the GVI subaward that passes it on are the same money and are not added.

SECTION 6

The school venture

RECORD The GVI made 108 payments totaling $111,339,132.10 to Consigli/Benton Joint Venture 1 from 3 December 2024 to September 2026 (117 checkbook lines, nine of them $0). The check descriptions tie $49.7

million to Charlotte Amalie High, $26.9 million to St. Croix Central High, $25.1 million to Bertha C. Boschulte Middle (most of it described jointly with Cancryn, "CANCRYN/BCB") and the rest to other schools; the checkbook does not say which contract each check pays. GVIBuy purchase order PO-23-400-4001-507, entered in September 2023, released under the authority of VITEMA (the territory's emergency-management agency, which handles federal disaster-recovery money) and sent 2 July 2026, commits $454,685,869 for "Design Build Services at St. Croix CHS and St. Thomas CAHS; and Modernization of BCBMS in STT" (St. Croix Central High, Charlotte Amalie High and Boschulte Middle). As with all GVI payments here, these are actions of Bryan's administration; the records we reviewed do not show Plaskett taking part in them.

RECORD Consigli people gave Plaskett's committees $13,400: Michael Haseltine, filed as Consigli's vice president of field operations (2021) and engineer (2026), $6,400; Anthony Consigli $3,500 (18 March 2026); and Matthew Consigli $3,500 (23 March 2026). People who filed J. Benton Construction, the venture's local partner, as employer gave $20,100: James Benton $13,200, Eric Cusin $6,400 and Cecile Castruccio-DeReu $500. In February 2026 James Benton paid $2,823.50 for the catering at a Plaskett fundraiser on 3 February, which Virgin Islands for Plaskett reported as a gift in kind for the primary, and gave $3,500 by check on 5 February; the committee coded $2,823.50 of the check to the general election and refunded that amount to him on 14 May 2026. The catering gift stood; his 2026 gifts net to $3,500. In 2022 the committee had paid him $2,350 to reimburse "fundraising event expenses." J. Benton Construction was awarded the 2020 Government House rehabilitation contract and a 2022 supplement.

SECTION 7

Donors in GVI offices: what we can and cannot confirm

OUR READING Method: our working files also match donors to GVI board members, appointees and officials, current and former, by name plus one more fact from the donor's filing, such as the island. Under our matching rule a shared name and island is not proof that two records describe one person, so those matches stay in the working files. The report lists only donors for whom a record ties the donor to the role directly: a filed employer that the role record names, or a P.O. box on the donor's filing that the GVI pays for that role.

DONOR	ROLE, AND THE RECORD THAT TIES IT TO THE DONOR	GAVE PLASKETT (NET)
Stephan Adams	President and CEO of viNGN, the PFA-owned broadband company; his FEC filings name viNGN as his employer	$10,400
Elizabeth Armstrong	WAPA governing board member and chair (records for about FY2018–FY2021); a 2018 release names her the Buccaneer's owner, and the Buccaneer is the employer on her FEC filings. $14,200 is on her Virgin Islands filings; the other $3,500 was filed from Colorado (with the Buccaneer as employer) and is joined to her as probable	$17,700
David Hughes	Public Services Commission commissioner and vice chairman; the GVI's PSC board payments to "Hughes, David W." (FY2023–25) go to the P.O. box on his FEC filing	$2,900
Andrew Rutnik	Public Services Commission vice chair (2015–16) and member (FY2023–24); the GVI's PSC board payments to "Andrew Rutnik" go to the P.O. box on his FEC filing	$250
Jed JohnHope	His firm SFT Solutions LLC, named on his FEC filings, was appointed a PSC hearing examiner (Docket 691). A further $1,350 under a Florida filing is not joined to him	$2,750

Other donors with GVI ties confirmed by a record (a filed employer, an officer or signer record) appear in the company section and the board table that follows.

SECTION 8

GVI boards, and donors connected to them by a record

RECORD The second column describes the office's powers, which pass to Plaskett in January. The appointments, contracts and payments in the third column were made under earlier governors, most under Bryan (governor since 2019), and are dated.

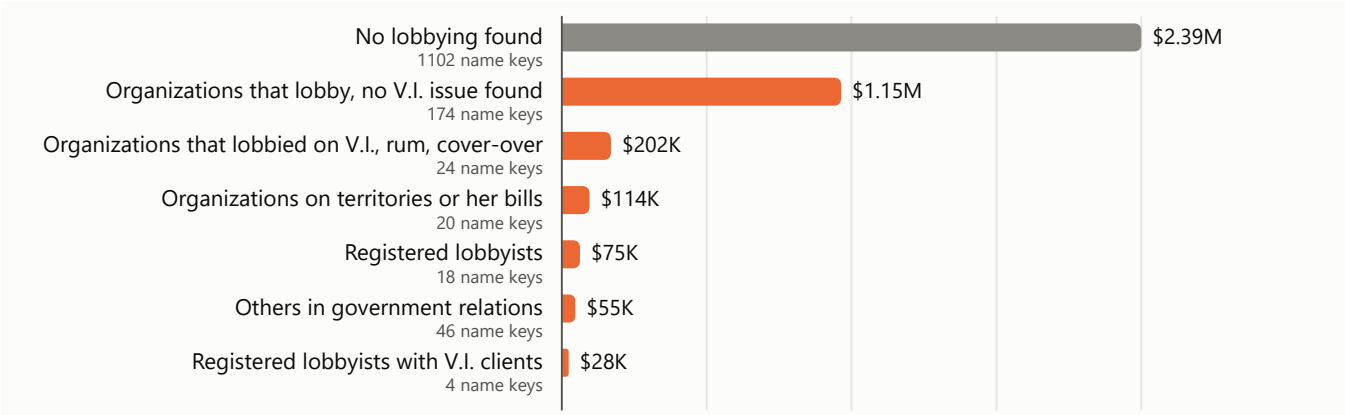

BOARD	THE GOVERNOR'S ROLE (THE OFFICE, WHOEVER HOLDS IT)	DONORS AND PAYEES CONNECTED TO IT (RECORD, DATED)
EDA board, sitting as the EDC (grants tax benefits)	Appoints all seven: three cabinet or staff at the Governor's pleasure, three outside members with the Legislature's consent, one from GERS, the Port Authority or UVI (29 V.I.C. §1102(a))	Gifts filed with an EDC beneficiary as employer, or by a beneficiary itself, came to $98,048.20 (gross) from 20 donors (2012–2026): International Private Bank $29,750, the Buccaneer $15,100, Coral World $14,248, Cane Bay Partners $8,100 and others
Public Finance Authority	Chairs it: the Governor is chairman (PFA official statements)	Pays Callwood Associates' lobbying contract; pays Witt O'Brien's, whose contract was extended in March 2026 for two years (its value is unresolved: the V.I. Consortium reported up to $21.2 million a year and the St. Thomas Source $21.2 million over two years [R]; we have not seen the contract); owns viNGN and WICO
viNGN, Inc.	Chairs its board, by the practice shown in the executive budget	CEO Stephan Adams gave Plaskett $10,400 net ($5,500 of it to Grange PAC)
WAPA	Appoints its governing board, with the Legislature's consent (GVI audited financials)	Payments, FY2023 to October 2026: GVI checks to WAPA whose descriptions name Haugland ($78.9M, $35.4M of it written "HVI" [O] or "HAUGHLAND") and J. Benton ($14.2M). Board, FY2018–FY2021: Elizabeth Armstrong (the Buccaneer; gave Plaskett $17,700, $3,500 of it on a Colorado filing joined as probable [O]) is listed as chair

The EDC total counts each donor once, from the gifts filed under that donor's own name keys. **OUR READING** $37,148.20 of it is from three donors whose spellings we join as probable (Michael J. Allietta, Elizabeth Armstrong, Gertrude Prior). Michael J. Allietta was refunded $3,500 in 2026; the refund line does not say which gift it repays, so it is not subtracted. St. Croix Renaissance Group's $1,000 is a 2012 gift; a separate $1,000 received in August 2016 was reported returned without being deposited, with an offsetting negative receipt. The Public Finance Authority's March 2026 actions below were taken by its board under Bryan.

SECTION 9

Rum companies, lobbyists and law firms

Figure 5 — Lobbying

Source: House Clerk lobbying disclosures (LD-1, LD-2, LD-203) matched to FEC donors by registrant or client name: exact after normalizing, or a documented alias, former name or affiliate (J&J's PAC through Johnson & Johnson Services, Inc.; McGuireWoods through McGuireWoods Consulting); every match and its basis is in the data package. Lobbying filings are the House Clerk's copy, 2012–2026; by law the same reports are filed with the Senate, whose database (lda.gov) was unreachable when we checked, 6–8 November 2026. The House's files for January to September 2012 are incomplete. "No lobbying found" means none in these filings.

RECORD The PACs of Diageo North America (Captain Morgan, St. Croix; $36,196.29), Beam Suntory (Cruzan; $21,500), Sazerac ($6,740.05), Bacardi USA ($3,000) and the Distilled Spirits Council ($3,500) gave Plaskett's committees $70,936 in all. Diageo's, Sazerac's and Bacardi's own lobbying reports named her rum cover-over bills (H.R. 409, H.R. 1425), which deal with the share of federal rum excise tax returned to the territory, in the same years. The cover-over is also a lobbying priority of the GVI itself: its registered lobbyists, Winston & Strawn (2012–2020) and Squire Patton Boggs (2021–2026), reported lobbying on rum or the cover-over for the Government of the Virgin Islands. Diageo's PAC's $36,196 to Plaskett includes the $5,371.12 it paid directly to venues and caterers for her events, ten times from 2015 to 2025 (nine for Virgin Islands for Plaskett, one, $556.80 in 2019, for Grange PAC); Sazerac's includes $1,165.51 it paid for event space and fees. In all, 24 donor organizations whose lobbying reports named the Virgin Islands, rum or the cover-over gave Plaskett $202,186; most are not rum companies.

RECORD Kevin Callwood's firm, Callwood Associates, filed House lobbying reports for the Government of the Virgin Islands every quarter from 2012 through 2021 (three 2020 reports state no lobbying that quarter); Total Spectrum/Steve Gordon & Associates filed them from 2022 to the first quarter of 2024, with Callwood as its named lobbyist; and his firm, as Callwood and Associates, filed them again from the third quarter of 2025. Callwood gave Virgin Islands for Plaskett $14,000 from 2014 to 2026; the committee refunded $2,000 to him, leaving $12,000, of which $1,000 is a 2014 gift filed with no address or employer and joined to him by name only OUR READING . REPORTED On 18 March 2026 the Public Finance Authority board, then chaired by Bryan, voted 3-0-2 to extend his firm's contract a year and raise its pay from $30,000 to $40,000 a month (V.I. Daily News). REPORTED Jerome Murray, a registered lobbyist, has been at Ogilvy Government Relations since November 2020; its clients include Beam Suntory, owner of Cruzan rum on St. Croix (O'Dwyer's). RECORD A Jerome Murray gave Plaskett's committees $17,750 net in 2019–2026, on filings from Virginia and from

Washington, D.C.; his own lobbying reports (LD-203) list all 20 of those gifts (the crosswalk is in the data package).

RECORD Greg Ferguson, Kellerhals's law partner, is "Counsel to WICO" on six 2021 GVI cruise-line contracts; WICO is owned by the Public Finance Authority.

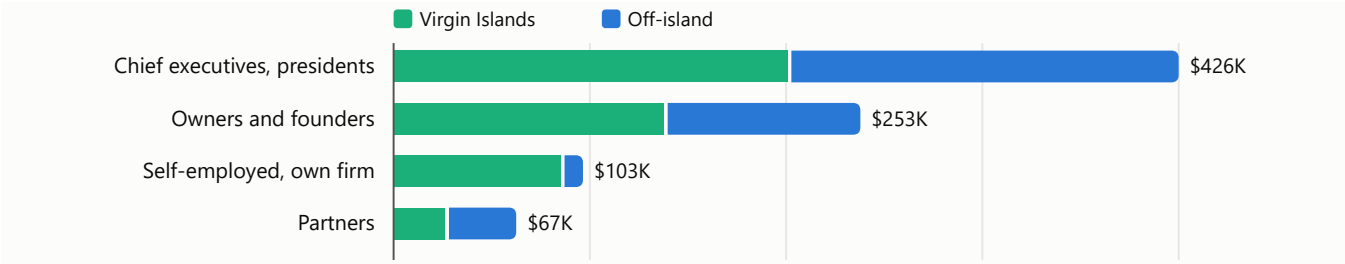

RECORD Southland Gaming of the V.I. and people who filed Southland as their employer gave Plaskett $9,100 in 2014–2022 (the company $2,000 in 2014; the others in 2018, 2020, 2021 and 2022). **REPORTED** Southland's racetrack and gaming agreement awaits the Legislature of the Virgin Islands: the Legislature sent Bill No. 36-0313 back to committee on 26 August, and Bryan sent a substitute bill on 28 October.

RECORD Winston & Strawn (since 2026 Winston Taylor LLP) has filed House lobbying reports for the GVI in every quarter from the fourth quarter of 2012 through the third quarter of 2026: 56 quarterly reports, whose fee amounts total $5,218,000, $420,000 of it in the first three quarters of 2026 (latest filing per quarter; the income field is empty in the House Clerk's published XML of its reports for the first three quarters of 2019; the House's files for earlier in 2012 are incomplete). Winston & Strawn's PAC gave Plaskett's House committee $10,500 in 2020–23 and her governor's committee $3,500 on 5 August 2026. The firm's LD-2 reports name the GVI as its client; the GVI checkbook (FY2023 to October 2026) shows no payment under the firm's name. **RECORD** A Public Finance Authority schedule of professional-services contracts, submitted to the Legislature for its 10 June 2025 budget hearing, lists a Winston & Strawn LLP contract for "consulting, legal and other professional services" (1 January 2020 to 31 December 2025) with $4,552,532.48 "amount expended". The schedule does not say whether those payments include the lobbying fees reported to Congress.

SECTION 10

Business owners, local and off-island

Figure 6 — Owners

Source: FEC Schedule A, individuals whose filed occupation is owner, founder, partner, president or chief executive of a business (not a PAC, government body, school or nonprofit). 275 donor records, $849,114, 40% of all money from individuals.

RECORD Owners with Virgin Islands addresses gave Plaskett $487,686 and off-island owners $361,428. For 38 of them a record also connects their company: it is a GVI vendor or a beneficiary of the Economic Development Commission (EDC), or the company or its PAC gave too. Those 38 gave $171,869. The two individuals who gave Plaskett the most are Virgin Islands lawyers: Marjorie Rawls Roberts of St. Thomas ($40,120) and Joel H. Holt of St. Croix ($39,300).

United Corporation (its president, Maher Yusuf, gave Plaskett $2,900) and KAC357, a Hamed-family company that runs Plaza Extra West (Waleed Hamed, who filed "Plaza West, grocer," gave $2,500; we read "Plaza West" as Plaza Extra West OUR READING), are both paid by the GVI.

SECTION 11

The governor’s race in the federal record

REPORTED Reports that Plaskett was exploring a run for governor, with Sen. Milton Potter as running mate, appeared 16 January 2026; she launched in Frederiksted on Saturday, 18 April; RECORD the ticket filed with the Elections System on 12 May; REPORTED it won the 1 August primary and was elected 3 November. Janelle Sarauw won the 1 August Democratic primary for Delegate; the records we hold give no date on which Plaskett ended her House campaign. RECORD Her governor’s committee, Plaskett Potter for People, files with the V.I. Elections System, which posts nothing online. What it received from federal committees, and what her House committee spent in 2026, are in FEC filings; this section covers that half. Federal rules let a federal candidate’s committee give to a state or territorial candidate, subject to local law (11 CFR 113.2).

Gifts to her House committee, before and after the run

RECORD Contribution entries reported by Virgin Islands for Plaskett from 1 January 2025, grouped by receipt date, by who the entry names, and by the election the committee filed it for (number of entries · gross amount, before refunds):

RECEIVED	INDIVIDUALS	POLITICAL COMMITTEES	BUSINESSES AND POOLED EVENT CASH	FILED FOR THE PRIMARY	FILED FOR THE GENERAL
1 Jan 2025 to 15 Jan 2026 before the first report of a run	119 · $169,845.72	111 · $229,138.19	1 · $500	$356,433.44	$40,550.47
16 Jan to 17 Apr 2026 run reported; before the launch	139 · $250,855.75	20 · $48,361.81	4 · $6,116	$289,810.06	$15,523.50
From 18 Apr 2026 after the launch	1 · $1,000	1 · $1,500	–	$1,500	$1,000

RECORD Between 16 January and 17 April 2026, the House committee reported 163 contribution entries totaling $305,333.56 gross, including $5,116 in two pooled event-cash entries; it filed $289,810.06 for the primary and $15,523.50 for the general. After the launch it reported two: $1,500 from Crowley Maritime Corporation’s PAC on 21 April, refunded on 29 April, and $1,000 from Kevin Callwood on 30 April, filed for the general. Grange PAC, her leadership PAC, took $15,618.19 in five gifts between the first report and the launch, and two after it: $1,000 from Diageo’s PAC on 19 May and $500 from Elect Democratic Women on 7 August.

OUR READING The filings show when a gift arrived and the election the committee filed it for, not what the donor meant it for, and they do not tie the committee’s transfers to the governor’s committee to particular gifts. An entry can pool many small gifts: the event-cash entries are cash donations of $200 or less each from breakfast events, as the committee described them. Business-name

entries are receipts filed under a company's name; two of them ($500 each, 19 March 2026) were refunded on 9 April. $2,500 of the first period's gifts is filed for another election (an "other" election in 2024).

Federal money into her governor's committee

RECORD FEC-reported payments by federal committees to her governor's committee: 10 payments filed to it by its exact name, $81,014.28; **OUR READING** three more ($7,500) are filed to payees written "Plaskett, Stacey" (described "Governors race"), "Plaskett Potter" and "Plasket Potter for People", which we count as payments to the governor's committee pending its own records. With them, 13 payments, $88,514.28; her own House committee sent $70,515.28 of it and ten other committees $17,999.

OUR READING Not counted: $500 from Beatty for Congress to "Plaskett Pottery" of Millville, an "event award" (a different payee by city and description), and a refund by another campaign to a different Plaskett. The Sheet Metal Workers' PAC has given Plaskett more than any other PAC ($62,500 net since 2016). ARDA-ROC is the timeshare industry's PAC.

Her House committee in April and May 2026

Figure 7 — The weeks

Source: FEC Schedules A and B, Virgin Islands for Plaskett.

RECORD From 1 to 17 April 2026 Virgin Islands for Plaskett took in $81,025 in 37 itemized gifts, and from 18 to 30 April, $2,500 in two (every donor is in Appendix A). It sent $15,000 to the governor's committee on 16 April; paid $41,550.47 back to 19 donors (15 individuals, four PACs) on 21 April, all of it money the committee had coded to the general election (FEC rules require general-election money to be refunded, redesignated or reattributed when the candidate will not be in that election, 11 CFR 102.9(e)(3)); and sent the governor's committee $55,000 more on 24 April and $515.28 on 15 May.

Her House committee's 2026 spending

RECORD In 2026 the House committee paid out $346,653.05: $70,515.28 to the governor's committee, $57,373.97 in refunds and $218,763.80 in other spending. Its total payments out peaked in March ($74,459) and April ($181,279, including the transfers and refunds), fell to about $9,000 a month in May and June, and came to $503 in July, the last in these filings; it had $10,708.68 in cash on 14 October. It paid Eduardo Corneiro of St. Thomas more than any other payee in 2026: "campaign consulting expenses," $24,068 on 17 March and $10,000 on 26 March. It paid Reef Broadcasting $21,654 for radio in four payments on 1 April. The rest includes office rent in St. Thomas, fundraising and digital consultants, T-shirts, tote bags, phones for phone banking, a St. Patrick's Day parade fee, Agriculture Fair tickets for volunteers and a bingo prize.
OUR READING Limitation: an FEC line gives a date and a description, not the race a payment served; Plaskett was a candidate for re-election to the House until she left that race.

Among the House committee's 2026 payees, these are also donors or committee officials:

PAYEE	HER HOUSE COMMITTEE PAID THE PAYEE (2026)	CONNECTION (RECORD)
MSI Building Supplies	$7,000, "office building supplies"	RECORD Thomas Brunt and Pia Brunt, who filed MSI as their employer, gave Plaskett $4,250 between them
Mark W. Eckard	$4,285.77, reimbursement	RECORD the House committee's treasurer since 2018; $5,500 in gifts to her House committee is on his Virgin Islands filings (2014–2018); a further $3,500, filed from Delaware in 2026, is joined to him as probable
Jonathan Buckney-Small	$2,430 (27 Jan), "meet & greet reimbursement"	RECORD the committee's 2016 treasurer; Honorary Inaugural Chair on the transition roster

RECORD Her federal committees took in $346,577.85 in itemized 2026 receipts: $25,850.47 in January, $101,000.75 in February, $124,651.00 in March, $93,525.00 in April and $1,550.63 from May on. The receipts do not show which race a donor meant to support. Plaskett's leadership PAC, Grange PAC, gave nothing to the governor's committee; in the territory it gave $1,000 to the Democratic Party of the U.S. Virgin Islands (31 January) and $500 to "Friends of Nemmy" (24 March), as filed; in 2024 it gave $1,000 to "Friends & Supporters of Milton Potter," her future running mate (29 September).

Her Facebook ads

RECORD Meta's Ad Library shows the page "Plaskett Potter HQ" ("Official campaign page for Stacey Plaskett for Governor and Milton Potter for Lt. Governor") was created 16 August 2025, first as "Team Plaskett," and is run by "Virgin Islanders for Plaskett Association Corporation" of Frederiksted. Meta shows $8,329 in political ads through 4 November 2026: $6,001 paid for by Plaskett Potter for People, $2,322 by Virgin Islanders for Plaskett Association Corporation, and an amount it shows only as "≤$100" with no disclaimer (Meta's figures are rounded). Her House committee paid Facebook 43 times, $2,872.92 in all, between October 2025 and May 2026 (seven payments, $536.09, from 1 to 22 December 2025), and nothing in 2023–24. RECORD Meta's per-

ad export lists 13 ads under the "Virgin Islanders for Plaskett Association Corporation" disclaimer; all ran 3–12 December 2025, under the page name "Team Plaskett," all describe her record in Congress, and each is shown as under $100, so together they come to at most $1,287 of the $2,322. OUR READING Limitation: the records we reviewed do not connect the House committee's Facebook payments to these ads; Meta does not say whose money paid for them, and the export does not show where the rest of the $2,322 went.

What only the Elections System has

RECORD The governor's committee's own donors, its spending and any in-kind help. Filed reports are open for inspection and copying within two days of receipt; the post-election report is due about 3 December (18 V.I.C. §905(b)(3)). Those filings would let the federal payments above and Meta's figures be reconciled with the committee's own records (dates, returned checks, in-kind treatment and rounding can differ).

SECTION 12

Who paid for her events, and what her House committee paid for them

Others paid for her events (gifts in kind to her committees)

WHO	WHAT THE COMMITTEE REPORTED	
Diageo's PAC	The PAC paid the venue, catering and refreshments for Plaskett events itself, ten times, $5,371.12 (2015–2025)	RECORD
Sazerac's PAC	The PAC paid event space, fees and refreshments itself, three times, $1,165.51 (2021–2022)	RECORD
James Benton (J. Benton Construction)	Paid $2,823.50 for a fundraiser's catering (3 Feb 2026)	RECORD

Virgin Islands for Plaskett paid for events

PAID TO	WHAT THE COMMITTEE REPORTED	
Twenty-First Century Group (Washington lobbying firm)	Eight payments for event space, receptions, catering and facility fees, $9,800 (2016–2024)	RECORD
Thorn Run Partners and others	Facility fees (2023–24)	RECORD
James Benton	$2,350 to reimburse "fundraising event expenses" (2022)	RECORD
Late-2021 St. Croix events	Catering, event insurance bought from Marshall & Sterling, and local fundraising consultants	RECORD

RECORD Legal costs: Virgin Islands for Plaskett paid Duane Morris LLP $45,000 for "legal services" ($15,000 on 7 November 2024 and $30,000 on 18 July 2025). On 12 May 2025 it reported $31,769.50 it owed the firm

with the note "It has been determined that the committee is no longer responsible for this debt"; the filing does not say why. REPORTED The firm represented Plaskett in a federal lawsuit in New York that was dismissed with prejudice in 2025; in December 2025 Plaskett filed suit in Superior Court seeking an accounting of the firm's 2025 bills, and the suit was dismissed without prejudice in January 2026 (WTJX).

SECTION 13

One donor, many names

OUR READING Method: the FEC's search lists a donor under each name as filed. Using the street addresses in the raw filings and the names, employers and places filed, we found 45 people filed under two or more name keys (98 name keys, $348,414.89 given to Plaskett): 14 share a street address, and 28 are probable joins by name with the same employer or place, and 3 rest on the name alone (a gift filed with no address or employer). The largest: William V. Neville (Knowledge companies) $29,445; Dale LeFebvre $23,998; Michael Allietta (International Private Bank) $17,800; Jerome Murray $17,750; Elizabeth Armstrong (the Buccaneer) $17,700; Sebastiano Cassinelli (Paiewonsky family companies), five spellings under four name keys, $15,160.60; William J. Haugland $14,800; Gertrude Prior (Coral World; also spelled Pryor in other records) $14,248; Kevin Callwood $12,000 (including a $1,000 name-only join). Most differences are ordinary spelling variants.

LIMITS

What the record does not show

- GVI contracts are awarded by its executive agencies, EDC benefits by the EDC board and territorial licenses by GVI agencies; the records we reviewed do not show Plaskett taking part in those decisions as Delegate. Nothing in these records shows that any gift was given for, or led to, an official act.
- Of the 11 PACs that gave Plaskett $32,000 or more, nine (the Sheet Metal Workers, Home Depot, the Realtors, multifamily housing, REITs, IBEW, the Cattlemen, CropLife and AbbVie) show no Virgin Islands lobbying in House filings; the other two, Diageo's and the Machinists', do.
- Many donors show no connection to the Virgin Islands government in the records we could reach.
- Corporate PAC gifts come from employees, and companies like Cigna and AT&T give across Congress.

LIMITS

What this report leaves out, and why

OUR READING Everything below is either not public, not money, or not tied to a donor by any record we hold. Each is listed with its money so nothing is dropped quietly.

LEFT OUT	MONEY	WHY	WHAT WOULD BRING IT IN
Unitemized gifts	$125,569.53	Gifts from donors whose gifts to a committee total $200 or less in the election cycle, or for a PAC in the calendar year. The law does not require the committee to name them, and it did not.	Nothing: the names are not on any public filing.
Receipts reported only as totals	$6,927.37	Reported receipts that are not itemized and are not small-gift totals.	The committees' reports, line by line.
ActBlue memo rows	not money	Each gift made through ActBlue appears twice, once as the donor and once as an ActBlue memo line. The memo lines are never added; the donor lines are.	

LEFT OUT	MONEY	WHY	WHAT WOULD BRING IT IN
Lines that are not gifts	$23,955	Vendor refunds (airlines, Facebook, GoDaddy, Home Depot), reimbursements, the committee and Plaskett themselves, event cash and the joint-fundraising transfer. In the totals; not listed as donors.	
Refunds not traced	$1,695.02	The FEC totals show $76,398.89 in contribution refunds; $74,703.87 is matched to donors, $400 is itemized but matched no donor, and $1,295.02 is not in the itemized refund lines.	The committees' reports, line by line.
Her governor's committee's own donors and spending, Plaskett Potter for People	unknown; $81,014.28 from federal committees in payments filed to it by name, and $88,514.28 counting three payments to variant payee names [O]	Filed with the V.I. Elections System, which posts nothing. Post-election report due 3 December 2026.	Inspection of the filed reports, or the records request drafted for the Elections System.
GVI checks before FY2023; WAPA's and the hospitals' own payments to contractors	unknown	Not in the data we hold. Checks to WAPA and the hospitals are counted where their descriptions name the contractor.	Older checkbook data; WAPA, Schneider and Juan F. Luis hospital records requests.
Companies whose names or addresses matched a donor's, with no record tying them	GVI checks: Island Roads $21.1M; KHVI Joint Venture $10.5M (through the PFA); St. Croix Vision Center $2.8M; Tutu Park Limited $1.9M (plus $7.4M in purchase orders); A/C Cooling Systems $0.5M; Life Insurance Co. of North America $0.4M; Carambola Golf Club $0.2M. Federal: Coldwell Banker Affiliates $0.3M	A shared word in a company name, an employer filed in one year only, a shared building, or a probable joint venture is not a record that ties the company to a donor. Donors are not named here.	Registry files or the agencies' contracts.
Other name matches rejected	365 matches	GVI or federal payees whose names resemble a donor's employer but are different businesses (BDO USA vs BDO USVI; the Judicial Branch on the word "Branch"; and others). Each, with its money and reason, is kept with the working files.	

LEFT OUT	MONEY	WHY	WHAT WOULD BRING IT IN
Name matches to GVI office-holders that our rule does not accept		Matches by name plus island or profession only. Kept with the working files.	A record tying the donor to the role.
The U.S. Senate's copy of the lobbying filings		By law the same reports are filed with the Senate, whose database (lda.gov) was unreachable when we checked, 6–8 November 2026; the lobbying figures use the House Clerk's copy, 2012–2026. The House's files for January to September 2012 hold only part of that period's filings.	The Senate's copy, when lda.gov answers.

METHOD

Sources, method and reconciliation

- FEC Schedule A and B for C00528182 (Virgin Islands for Plaskett), C00700203 (Grange PAC) and C00802975 (Jeffries Plaskett Victory Fund), from OpenFEC processed data, e-filings and the raw .fec files for street addresses; the super PAC C00953307.
- The GVI checkbook, DPP contracts, GVIBuy purchase orders, USAspending federal awards and FEMA Public Assistance project records, as collected in VI Update's records database; the Virgin Islands corporate registry (guest view); House lobbying disclosures (the Clerk's bulk files, 2012–2026).
- The V.I. Code and Act No. 8985 and Act No. 7240; the EDC beneficiary list; court records from CourtListener and RECAP; the USVI Public Records archive; DOJ's Epstein files (checked against DOJ's own data-set files); Meta's Ad Library.
- Reporting by the V.I. Daily News, St. Croix Source, St. Thomas Source, The V.I. Consortium and O'Dwyer's.

Joined name keys are marked "same address" or "probable" (same name and employer or place); three 2014 gifts filed with no address or employer are joined by name alone. Memo rows (the second ActBlue listing of a gift) are never added. Every table, the rejected name matches and the scripts that build them are kept with the working files.

Table 1 — Reconciliation

Refund reversals with no refund on file (four donors, 1 Dec 2025)	counted as no refund; corrected 7 Nov 2026

DATA PACKAGE

The data behind this report

The package `plaskett-campaign-money-data` holds the public records this report uses, the tables its figures come from, the written rule behind every match, and a script that checks a selected set of the figures against those files with nothing but Python's standard library.

FILE OR FOLDER	WHAT IT HOLDS
`as-filed/`	the public records as pulled, each row with its own ID or link: FEC receipts (city, state and ZIP; no street addresses) and disbursements, FEC summary lines, the transfers to her governor's committee, the super PAC's filings, Meta's ad export and page summary, every lobbying filing for a Virgin Islands client and three DOJ e-mail texts
`joined/`	matches we made, each with its basis (same street address, probable, or name only): one row per donor group, every FEC name key with its group, the people counted under each company and EDC beneficiary, the lobbying-filing matches, Jerome Murray's FEC gifts beside the LD-203 lines that report them, and the GVI checks, purchase orders and federal awards our rules picked for each company, copied as filed with their record IDs (check descriptions that name medical patients are masked)
`labeled/`	the groups the charts use (kind, place, industry, lobbying group, business owner) and the totals by cycle, each label with the rule that set it
`rules/`	the exact written rule behind each company's GVI checks, agency checks, purchase orders and federal awards
`reproduce.py`, `figures.csv`	check a selected set of the report's figures with Python's standard library, each check naming the kind of file it reads; PASS or FAIL per figure; the README lists what it cannot check
`README.md`, `MANIFEST.sha256`	what each file is, how the totals are built, what is masked and not included, a dictionary of every column, license and citation; the SHA-256 of every file (sha256sum -c MANIFEST.sha256)

To check the figures: `python reproduce.py`, which writes `figures.csv` (each figure checked, the value printed here, the value from the package, the kind of file it reads, PASS or FAIL); the package README lists what it cannot check. At this version: 392 of 392 selected checks pass.

APPENDIX A

Every donor

All 1,320 donor groups that gave, from the itemized FEC record, 2012–2026, three committees, largest first (15 sources of lines that are not gifts, such as airline and vendor refunds, are left out). Net of refunds; "Refunded to donor" is what her committees paid back to that donor. Names and employers as filed (first two employers shown), so one person's name may be spelled differently here than in the text. "Joined" marks name keys joined into one person; "+N spellings as filed" counts other ways the same name key was written.

THE ARCHIVE

Built on USVI Public Records

USVI Public Records is the public archive of U.S. Virgin Islands government records where VI Update's research begins. Brian Louden built it and runs it. Every document it holds is kept with its original source and its SHA-256, so a reader can open the record a report rests on.

This report cites no archive document by number; its sources are listed under Sources, method and reconciliation.

METHOD AND TOOLS

How this report was made

AI coding agents (Anthropic's Claude), working on Brian Louden's own computer, built and ran the research tools behind this report: programs that collect the public records, apply the written matching rules and recompute the figures. They worked under Brian's direction and to rules he wrote. He chose the questions and the sources, made every editorial decision and approved the report. The agents also drafted the text under his direction; he reviewed and approved it. The data package holds the records and tables behind the figures, and a script that checks a selected set of them.

What the research tools did

- Collected and processed FEC filings, the GVI checkbook and other public records into tables, kept in the data package.
- Applied the written matching rules to names, companies and records, recording the basis of each match so it can be checked.
- Recomputed the report's figures from the data by a second path; the data package's reproduce script lets any reader rerun a selected set of those checks, and its README lists the figures it cannot check.
- Checked each quotation against the document it comes from.
- Ran adversarial reviews: separate AI reviewers read the draft against its sources, looking for errors, gaps and unfair implications, and each finding was answered on the record.
- An outside red team, run on OpenAI models, reviewed the report and its data independently.
- Built the tables, charts and this document from the data.

What Brian Louden did

- Directed the work: set every rule the tools follow and every source they may use.

- Made every editorial decision: what the report says, how it says it, and what it leaves out.
- Decided whether and when the report is published.

The tools set no rules and made no editorial or publication decision. Tools used: Anthropic's Claude, as AI coding agents that built and ran the research tools and built this document; OpenAI models, for the outside red team.

The figures the data package checks can be rerun by any reader, its README names those it cannot check, and every archive document cited links to its copy and its SHA-256. Brian Louden is responsible for the report; please report an error to tips@viupdate.com.
